

Procedures and policies for maintaining and utilizing physical, academic and support facilities - laboratory, library, sports complex, computers, classrooms etc.

The College since its inception has an Academic ambience having adequate, need based Physical Infrastructure. The Physical and Academic facilities have regularly attracted the students from North Karnataka. The Management has continuously supported in providing addition of infrastructure and also ensures the maintenance of campus facilities.

The Management has appointed Site Engineer to look after the timely maintenance of Civil Work and Electrical work of the college. Besides this, the services of the Laboratory and Sports Equipment are outsourced to local engineers or to the respective company service engineers whenever necessary.

To manage all the campus facilities for a robust, efficient, effective and smooth day to day functioning the college activities and the maintenance of Buildings, Classrooms and Laboratories, the management has an estate committee. It comprises of Residential Engineer, Site Engineer and Technical Staff who watch over the maintenance of the building and other campus facilities. The college makes optimal utilization of physical infrastructure for addition of New Courses thereby ensuring the academic excellence.
