

**K.L.E.SOCIETY'S
SHRI MRITYUNJAYA COLLEGE OF ARTS & COMMERCE, DHARWAD**

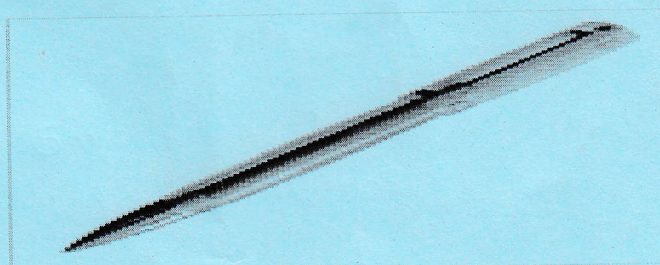

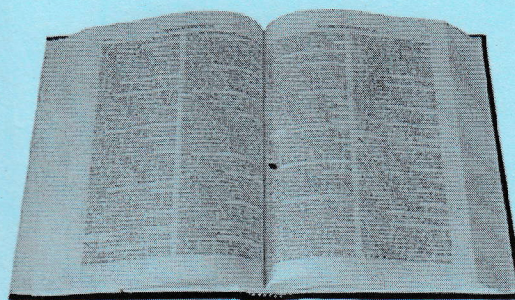

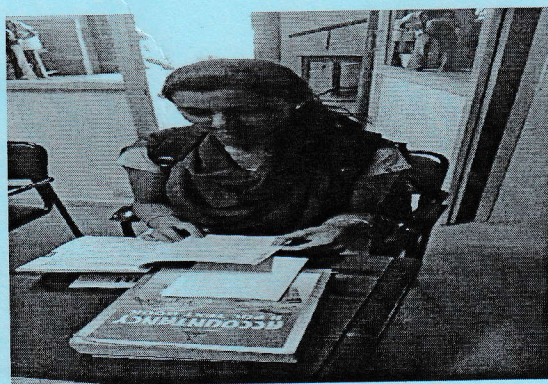

DEPARTMENT OF LIBRARY

Report For the Academic Year 2022-23

**Title of the Practice: "Read a Book and Write a Paragraph",
a practice to promote reading culture among students.**

NO OF BENEFICIARIES ARE 600

"READ A BOOK AND WRITE A PARAGRAPH"

Objectives of the Practice:

- To boost up the Reading, grasping, expressing and writing skills of the student.
- To promote extensive learning and reading habits.
- To kindle innovative thinking, imagination and creativity.
- To expose students to our physical library resources.
- To indirectly assist students to take up competitive exams.
- To mould the personality of the students by creating long standing impressions through reading.
- To develop an aptitude for reading, purchasing of books and owning a personal library.
- To promote the writers in various literary fields.

The Context:

In today's competitive world the limits for excellences are unbounded. Earlier methodologies of learning by reading a physical book is disappearing and more of E-learning has come in practice. The reading habit of the students is disintegrating as the students are very much involved in usage of mobiles and are only interested in quick short term out comes and are not bothered about enriching their knowledge by extra reading. Reading, if cultivated as a hobby brings home deeper knowledge, poised thinking and a mature out-look. Especially Rural students are benefited to improve their learning skills.

Hence to bring in this essential transformation and to canalize the out moving minds of the students in a proper direction, this rare practice of "Read a book and write a paragraph" is kept open for the students.

The Practice: All possible efforts are made by our librarian to initiate and to induce reading habit amongst students. Our library is open on all working days from 09.00 am to 06.00 pm to facilitate book reading and issuing facility to the students.

Read a book and write a paragraph is a distinct feature of our library along with some more practices to add value to the functioning of the library, namely Book exhibition, Book Talk programme, Best library user award, Thought for the day (highlighting the morale in Vachanas), New arrival display etc.

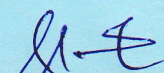

The prevalence of the practice is brought to the notice of the students by displaying it in Hand book, Web site, Notice boards and through orientation programmes. It is an opportunity for the students to read a book out on general topic. The students can choose any book on the general book stack, read it in the library or can be home issued. A Performa is available in the library to express their opinion or jest of the book after reading it. It is said that "Children learn more by imitating rather than advice". The seniors' involvement in this act motivates the juniors.

Evidence of success:

- Such acts of felicitation build up competencies and help in goal setting amongst students.
- They motivate the students/Staff for intensive reading and research activities.
- Inspire the students for intensive sports practice and excellence.
- Motivates the students to serve the society.
- Our M.Com first batch student cleared KSET Examination along with Post Graduation.
- The number of Sports achievers is rapidly increasing.
- More students are taking part in experiential activities.
- Our three faculty members accomplished Doctorate and five of our young staff cleared NET/SLET with flying colours. These are the successes achieved by the support and recognition given to the achievers.
- Four of our administrative staff are promoted to higher posts which is an evidence of the success of this act of felicitation.
- Our students turning out as noble and responsible citizens is the real outcome of this practice.
- **Problems Encountered:**

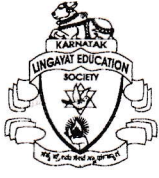

Shifting the focus and attention of the students from the social media attraction to reading of actual books was a challenge.

POLICY ON THE GREEN CAMPUS

Introduction:

The Green Campus of the college envisions a clean and Green campus where environmental friendly practices are undertaken to promote sustainable and eco-friendly practices in the campus and off the Campus.

Objectives:

1. To protect, restore and enhance natural resources
2. To create awareness on the essence of conservation of natural resources namely, Land, water and Energy resources.
3. To protect and improve the environment.
4. To provide healthy living atmosphere for the future generation.

Committee:

NSS units are entrusted with the responsibility to maintain the green campus. Gardening Committee is constituted in the institution.

Plan of Action:

1. Our college menial staff maintain the garden. N.S.S volunteers play a vital role in maintaining the green campus.
2. To enhance Green Campus various activities are carried out with SCOPE NGO with which our institution holds MOU
3. To schedule various environment conserving activities like Plantation Programme, regular maintenance of Rain water harvesting units, minimizing wastage of water and energy, maintaining vermin-Compost pit, highlighting the importance of organic farming, maintaining plastic free campus.
4. Promoting usage of paper and cloth bags
5. To reduce Air and Soil Pollution by emphasizing on carbon emission test for vehicles, using Electronic Vehicles & Bicycles
6. Celebration of Environment Day and Presenting Plants as Gifts.
7. To carry out Annual Green Audit & Environment Audit.

POLICY ON ENVIRONMENT AND ENERGY USAGE

The following are the policy measures for Environment and Energy conservation.

1. NSS Units are shouldered with the responsibility of Environment and Energy conservation
2. To create awareness about the Environment and Energy conservation to the students in the Orientation Programme and Annual Awareness Programme.
3. To schedule various environment conserving activities like Plantation Programme, regular maintenance of Rain water harvesting units, minimizing wastage of water and energy, maintaining vermi-Compost pit, usage of LED bulbs, Waste management, highlighting the importance of organic farming and maintaining plastic free campus.
4. To reduce Air and Soil Pollution by emphasizing on carbon emission test for vehicles, using Electronic Vehicles & Bicycles
5. To carry out extension activities on Environment and Energy conservation through NSS units.
6. Celebration of Environment Day and Presenting Plants as Gifts.
7. To carry out regular Green audit & Environment audit.

Report:

The theme for World Environment Day on 5 June 2023 focused on solutions to plastic pollution under the campaign **Beat Plastic Pollution**. The world is being inundated by plastic. More than 400 million tonnes of plastic is produced every year, half of which is designed to be used only once.

Under the theme of World Environment Day 2023 NSS Volunteers collected plastics bags, chocolate wrappers and chips pockets on 5th June 2023. NSS volunteers along with staff planted 25 different types of fruit plants. Principal, Staff, LGB Member Shri Karan Dodawad, NSS Programme Officers Prof. N M Kotagar and Prof. U V Neelappanavar and 50 NSS Volunteers were present in Plantation Programme.
